

## PEDESTRIAN BARRIER SERIES

# POLY BILLBOARD PLASTIC BARRIER

Delight your guests with beautiful barricades. They're easy on the eye, safe to handle, simple to store, and designed for advertise-

### USED BY EXPERTS

Strong, reliant, and durable enough to control large Traffic areas.

### PERFECTLY CRAFTED

With no rust or sharp edges to contend with, our plastic barricades are friendlier to the people who use them

### IMPROVED STABILITY

Support feet close inward allowing barricades to nest and stack flat

### EXTREME DURABILITY

Built with High Density Polyethylene (HDPE) to last a minimum of eight years.
